Debit Card Design: 4 Cards (fold on thick black line / cut out and glue front to back)

FRONT: blank side has kids' design (they come up with a name and create a logo for their bank)

BACK: square boxes - kids make up a number / white rectangular box - kids' signature

The image shows a template for four debit cards arranged in a 2x2 grid. Each card has a thick black horizontal bar at the top. Below the bar is a white rectangular box for a signature. Underneath the signature box is a row of ten square boxes for a card number, with hyphens after the fourth and seventh boxes. The bottom half of each card is a large blank white area for a design.
