

I.

What were  
your initial  
thoughts &  
impressions  
of the video?

2.

What did you  
think about  
the bullies, the  
bullied teen,  
and the  
bystanders in  
the video?

3.

Why do you think the bystanders were so quick to complain about their “bullied” burger, but not about the bullied teen?

4.

Did it surprise  
you how few  
adults stood  
up to help the  
bullied teen?  
Why?

5.

Why do you  
think teens  
don't  
get involved  
when they see  
one student  
harassing  
another  
student?

6.

What are  
some solutions  
that might  
actually work  
to solve the  
problem of  
bullying?

7.

How do you  
think our  
school might  
change if  
more people  
looked out for  
each other?

8.

Would you be  
willing to be  
part of a  
program to  
help end  
bullying in our  
school? Why?
