

Keep your students safe in the lab with all the safety equipment and resources you need, all in one place.

Safety in the classroom

Keep students and staff safe and comfortable, with PPE and sanitization supplies

Ward's Science has everything you need to keep students and staff safe so that they can focus on learning and teaching. We'll work with you to understand your unique Personal Protective Equipment (PPE) and sanitization needs and provide a quick quote to support a smooth and safe transition back to the classroom.

Whether you are in the lab or classroom, we have the critical supplies you need now.

- **Widest selection** of PPE, sanitization, and safety supplies for every area of your school
- **Convenient and easy** quote and ordering process
- **One-on-one support** from your account manager to help you quickly find what you need

Use our PPE & Sanitization Checklist to plan your safety and sanitization shopping list easily. Then fill out the Quick Quote Request Form to get pricing and availability from your account manager.
