

CARD GAME

Printing Instructions

1. Save this PDF and bring it to your local print shop.
2. Print out the game on heavy cardstock. You can print it in black and white, but it will look nicer if you print it in color.
3. Use a paper cutter to trim and cut the cards.

How to Play

1. Gather a group of fun-loving and awesome teachers such as yourself.
2. Have each player draw ten gray answer cards.
3. The person who most recently had someone in class throw up is the Teacher's Pet. The Teacher's Pet draws a yellow question card and reads it out loud.
4. All the other players choose the best answer card from their hand and pass it to the Teacher's Pet face down.
5. The Teacher's Pet shuffles all the answer cards and then reads them out loud to the group.
6. The Teacher's Pet then chooses his or her favorite play, and whoever submitted it gets an A+.
7. The next person now becomes the Teacher's Pet.
8. The first player to get seven A+s wins the game (hey, we're grading on a curve.)
