

Compare and Contrast (Venn Diagram)

Student Directions: Choose two Bad Guys to compare and contrast. Use the Venn diagram to list out the similarities and differences between them.

Think through the following questions as you fill out the Venn diagram:

- How are the two Bad Guys' feelings similar? How are they different?
- How are the two Bad Guys' actions similar? How are they different?
- How are the two Bad Guys' character traits similar? How are they different?
