Arrived to school with shirt misbuttoned	Chewed gum instead of brushing teeth	Left coffee in microwave	Said “I love you” to parent or principal when hanging up the phone	Forgot what day it is
Used dry shampoo three days in a row	Fell asleep before 8 p.m. on Friday night	Returned papers to wrong class	Forgot route to school	Left school ID at home
Took casual Friday to a whole new level	Seriously considered only wine for dinner		Misspelled basic vocabulary word	Marked days left until summer on calendar
Ate leftover donuts for lunch	Called student by the wrong name	Wore two different shoes	Had more than five cups of coffee	Forgot what year it is
Cried for a reason; can't remember what it is	Forgot what subject I teach	Couldn't find car in parking lot	Late to faculty meeting	Lost car keys
